

Playground Holiday Fundraisers Are Here!

We have three exciting fundraisers that should help everyone get their holiday shopping started early! We are starting everything now but they all have different closing dates for ordering so please pay close attention if you are interested in ordering from any of these vendors.

Everything can be ordered on wrepac.ca just like hot lunch or you can submit a paper order to the office. If you are having trouble ordering please let us know and we will be happy to help!

Neufeld Farms – a delicious assortment of sweet and savory foods to fill your freezer for the holidays.

Order by end of day November 7

Pick up November 23 at 2:15pm

Please note we do not have space to store frozen items at the school so if you order Neufeld items you will need to pick them up at this time.

West Coast Gardens – our favourite local nursery is back with an assortment of holiday selections.

Order by end of day November 18

Pick up December 7

Purdy's Chocolates – delicious chocolates, great for gifts to family, friends or clients if you own a business!

Order by November 28

Pick up December 14

Please see attached pamphlets for information about products and order online at wrepac.ca. **Do not order on the vendor websites please.** We want to keep all of the orders in one place.

All proceeds from these vendors will go towards the playground!

If you have any questions please contact the PAC at whiterockpac@gmail.com.

Thank you for your continued support!
